

Commemorate a Beloved Pet

A lasting way to remember a special friend.

This unique fund was established in honor of all those special pets who have touched the lives of those they loved. Donations in honor of beloved pets will be used to purchase materials about pets, pet care or children's books. Each item purchased will be marked with a special gift plate that contains the name of the pet, the pet owner and the donor. In addition, an acknowledgment card will be sent to both the donor and pet owner. What a wonderful way to remember that special member of the family.
